**FROM THE PRINCIPAL ...**

**Fabulous Fete Coming Soon**
Could I ask all families to please note Sunday 21 October in your diaries as this date marks the exciting return of the Capalaba State College Fete, proudly hosted by our Parents and Citizens association. The Fete will be held on Sunday 21 October from 10am – 3:00pm and will feature a great variety of rides, performances, stalls, food, and other activities. Arm bands for the rides are already on sale from the Junior Campus at the very reasonable price of $26. We will soon be selling these on the Senior Campus also. Fete Bulletin later in this newsletter. I look forward to everyone coming to join us for what promises to be a great day of family fun!!

**Annual Awards Night**
Preparations are well under way for our 2012 Annual Awards Night to be held on Tuesday the 23rd of October. Students will be notified early in term 4 if they are receiving an award and are invited to attend Awards Night. The evening promises to be a wonderful celebration of the achievements of our students and will certainly showcase the skills of the many talented young people we have at the College. I would encourage parents to please put this date in your diaries and join us for a wonderful evening.

**Queensland Core Skills Test**
Next Tuesday and Wednesday (4th and 5th September) our year twelve students who are seeking an Overall Position (OP) to enter University study in 2013 will sit the Queensland Core Skills Test (QCS). The QCS Test contributes information for the calculation of Overall Positions (OPs), which are used to rank students for tertiary entrance.
All students who will sit the QCS Test have attended the College on their off campus day for nearly 12 months, working with teachers so they can realise their full potential in the test. Good luck everyone!

**Mozart to Metallica**
If you are a lover of music please join our Senior Campus musicians for a great night of music at our annual Mozart to Metallica evening to be held on Thursday 6 September. The performances on the evening, which form a component of each student’s assessment in Music, cross a very broad spectrum of musical styles, composition and instruments.

**Farewell Lorraine & Val**
I would like to thank Mrs Lorraine Green & Mrs Val Surtees, teacher aides on the Senior Campus for their combined 43 years of loyal service to the College. We wish them all the best for a wonderful retirement.
FROM THE PRINCIPAL cont...

At the end of term, the Junior Campus will celebrate Safety House Week. This is the time of year where we highlight the importance of child safety and recognise the important contribution of volunteers who form our local Safety House committee. To mark the week, we have organised the School Based Police Officer, Constable Nathan Vaughan, to visit Junior Campus and talk to students about the importance of personal safety. We will also be staging a Free Dress Day on Friday, 21 September where children will be invited to wear yellow items of clothing. Yellow is the colour which has traditionally symbolised the Safety House movement.

It is also worth highlighting at this point, the urgent need for parent volunteers to work with the Capalaba Safety House Committee. Some of our long serving committee members have been unable to continue with their duties and we are keen for this important initiative to continue in our school and community. If you are able to help, please contact us at the College or talk to a member of our College P&C committee.

SENIORS (YEARS 10 - 12) NEWS ...

Year 12 Queensland Core Skills (QCS) Test
In 2012, our QCS Test will be administered on Tuesday 4th September and Wednesday 5th September. Throughout the year, students in Year 12 have been attending weekly preparation sessions to practice for and improve skills that will be tested over the 2 days.

The QCS Test is
- A common state wide test for Queensland Year 12 students
- An achievement test – not an intelligence or aptitude test
- Grounded in the Queensland senior curriculum
- Accessible to all year 12 students regardless of their subject selections
(Information from About the QCS Test www.qsa.qld.edu.au)

Students are tested through the administration of a Writing Task, Multiple Choice Test I and II and a Short Response Test over the 2 days. The 49 Common Curriculum Elements are the skills that students will be tested on.

Please see the Queensland Studies Authority website www.qsa.qld.edu.au for further information on the QCS Test and the Queensland Senior Curriculum.

TAFE Partnership with Schools Programs for 2013 – Update
A reminder to all students in year 10 and 11 who wish to nominate for the TAFE Partnership Programs with SkillsTech Australia and Metropolitan South Institute of TAFE, that expression of interest forms and course information booklets are available from the Senior School office.

Students need to submit an Expression of Interest form to Mr Van Nunen– Head of Department Senior Schooling, by Friday 7th September. Students are able to nominate one course only and need to take into consideration their study / work load in 2013. TAFE courses offered in the Partnership with Schools Programs, when successfully completed, will contribute credits towards the Queensland Certificate of Education.

Students need to ensure that all Expression of Interest forms include an email address where students can be contacted regularly, as TAFE requires online registration and regular communication through email.

If you have any questions regarding the QCS, TAFE Partnerships with Schools Programs or Senior Schooling at Capalaba State College please contact John Van Nunen – Head of Department Senior Schooling on 3823 9114.
MIDDLE SCHOOL (YEARS 7 - 9) NEWS...

Week 8 already and we’re on the countdown until the September break. The end of term can become a ‘bit wobbly’ for some students as they start the wind down and lose focus. It’s important to remind our young people that work continues right up until the holidays and assist them with keeping and staying organised by bringing all of their subject requirements to school each day. Reminding them to eat breakfast and to pack lunch is also of great benefit as often teenagers forget to eat and bring lunch and this can lead to a loss of concentration which can lead to poor behaviour choices.

SUBJECT SELECTION FOR YEARS 8 INTO 9 AND 9 INTO 10:

Our subject selection evening will be held on Tuesday, September 4 in the Senior Campus Cultural Centre. For parents/carers of students currently in Year 8 and selecting subjects for Year 9, 2013 the session will commence promptly at 6.00 pm and should take about 30-45 minutes. For Parents/Carers of students currently in Year 9 and selecting subjects for Year 10, 2013 the session will start promptly at 7.00 pm and will also run for about 45 minutes. Subject selection forms will be given out at these sessions and as some courses are very popular and are filled on a first in basis, these forms can be completed and handed in following the session to ensure placement. If you require more time to think about options then forms are to be returned to the office by Tuesday, September 11.

YEAR 7 CONTINUING ENROLMENT INTO YEAR 8

All Year 7 students were given an orange form earlier this week requesting information about 2013. Please complete the form indicating that your young person is continuing at Capalaba State College; Leaving to attend another school (please identify which school if known); or if you’re unsure at this time about 2013. This information is very important for our planning for next year so we can ensure a smooth start to the school year and not have to make changes to classes in the first few weeks due to a dramatic change in enrolment numbers. Thank you for your support with this.

HAT REMINDER

As the weather gets hotter it is timely to remind everyone about the wearing of hats. Some students do not like to wear hats but if they have a scheduled PE lesson or if it is their scheduled Sports Day (Tuesday for Years 8 and 9 and Friday for Year 7) they MUST wear a hat for their own sun protection. Students who do not bring a hat are issued consequences as would be given for any other subject where key equipment is required to participate in the program of instruction. Sunscreen is issued and we also encourage students to bring water bottles. Year 7’s are required to wear the broad brimmed floppy College hat and students in Years 8-12 are allowed to wear a College cap. Hats/Caps can be purchased from the Senior Campus admin for $12.00. Please help us keep your young people sun safe by ensuring that they own a College hat/cap and bring it to school EVERY day in case they are required to spend time in the sun as part of their learning program.

GOOD LUCK IN SERBIA!

Two of our Year 7 students, Bojanna and Vanja Klisura are currently at the Djokovic Tennis Academy in Serbia participating in a 2 week coaching clinic. They will be competing in a tournament on September 8 and we wish them every success. If they meet the criteria following the 2 week coaching clinic they will be invited back next year and will be considered International competitors.

As always, if there are any queries or issues that you would like to discuss, please do not hesitate to give me a call on 38239111.

Linda Knight

JUNIOR CAMPUS NEWS ...

2013 Prep Enrolments Welcome

At this time of the year we are busy preparing for a new year of Prep enrolments. The size of our Prep intake is critical for the future growth of the College because the group which starts with us tends to remain relatively stable in number throughout the primary years and of course impacts on the size of cohorts into the Senior Campus. The number of students enrolled also directly determines the financial and human resourcing grants for the College so we are therefore very keen for every new Prep enrolment. We are currently taking enrolments for the 2013 intake and have already seen strong interest from parents. We need to maintain this level of interest throughout the remainder of this school year.

Children born between 1 July, 2007 and 30 June 2008 are eligible for Prep in 2013 so if your child meets these age limits please contact us for an enrolment package. If you know of families looking for high quality Prep programs, facilities and teachers, please don’t hesitate to promote our wonderful Prep offerings. I know that we have many satisfied Prep parents and students who will be more than happy to sell us to prospective parents. All new families are very welcome.

We are also taking enrolments for all other Junior Campus Year levels from Year 1 to Year 6. Again, please promote our College to all prospective families.

Student Success

Once again this year, many of our students are participating in academic competitions such as the International Schools Competitions. Here are the results from this year’s first competition which was Science:

CAPALABA’S GOT TALENT

Keep your eye out for information coming soon for a Junior Campus 'Capalaba's Got Talent' competition! Start practising! A big thank you to the senior choir, senior band and the music committee for an excellent tour this term.

Congratulations Boys Yr 10 Basketball Team ...

Congratulations to the Year 10 Boys Basketball Team who defeated rivals Redlands College to take out the district title. The game went down to the final buzzer with a late challenge by Redlands before a couple of late fouls shots sealed the win. Well done boys.

Great Achievement Boys!!

Chess Club News...

Interschool Competition Results

Competing at the Brisbane South regional chess final on Thursday 23rd August, our two teams finished in equal 4th and 6th places respectively out of the 30 teams that competed over the three rounds of competition.

Our top team's 4th placing means we have maintained our ranking from last year, but we have closed the gap on the leaders. Only one point separated us from 2nd place (and qualification for the state finals). Maybe next year...

Once again it was only GPS schools that performed better than our College and we won the 'local derby' finishing over the top of Cleveland SHS.

Behaviour Management Support in the Early Years

PsyCare has developed an Early Intervention Program to provide support and intervention for parents of children with disabilities who are beginning to show signs of challenging behaviours. Through this program, parents are provided with information, support and parenting strategies and the focus of the program is to reduce challenging behaviours, decrease family stress and improve both the child’s and parent well being. The cost is $950 for the Group Program and $1850 per family for the Group Program plus Face-to-Face Support. For more information please call 3839 4400 or go to www.pscare.com.au

Whooping Cough

Recently there has been a confirmed case of whooping cough (pertussis) in a person attending our school. Whooping Cough is a highly infectious illness that is spread by coughing and sneezing. The illness is troublesome and distressing at any age but can be very serious in young infants.

The Brisbane Southside Public Health Unit advises that all parents should check their children’s immunisation records and ensure that their child is up to date with their routine childhood vaccinations. If your younger children have missed any of their routine childhood vaccinations they can still be vaccinated against whooping cough with the childhood vaccine up to their 8th birthday. Adolescents are provided with a free pertussis booster vaccine in Year 10 or at the age of fifteen years from their doctor or local council clinic.

A pertussis vaccine is also currently available for adults living in the household of children under six months of age, from their general practitioner.

The protection against whooping cough from the vaccine does decrease over time and whooping cough may still occur in older children and adults who were fully immunised in early childhood. Therefore it is important for parents to be aware of the symptoms of whooping cough and to seek medical attention should they be concerned. More information is contained in the Whooping Cough Fact Sheet which is available from the School Office or at the Queensland Health Website:

If you require further information please do not hesitate to contact Brisbane Southside Public Health Unit on (07) 3000 9148.

**STRATEGIES TO PREVENT ADOLESCENT ALCOHOL-RELATED HARM**
FREE Session with UQ psychologists doing research in this area
The University of Queensland’s Centre for Youth Substance Abuse Research offers parents a FREE individualised session with a registered psychologist to discuss practical strategies to prevent adolescent alcohol-related harm, tailored to meet their family’s needs. This session is valued at over $200 (according to Australian Psychology Society’s recommended rates), but is provided FREE as part of the Project SHIELD research program. This is a great opportunity for parents of 13-17-year-olds, as the session can occur over the phone or at home, at a time convenient for you. Research indicates that most teenagers will be exposed to risky situations involving alcohol consumption at some point, regardless of whether they choose to drink or not. Many parents feel that they have no control over whether their adolescent drinks, but recent research suggests that parents have more influence than they might expect. Project SHIELD is a prevention/early intervention strategy, so teenagers do not need to have experimented with alcohol for parents to benefit from the program.
Project SHIELD is funded by the National Health and Medical Research Council and has clearance from the UQ Research Ethics Committee.
If you would like more information, please contact Dayna Smith by phone: 1800 302 234 or email: projectshield@uq.edu.au
WELCOME TO THE THIRD EDITION OF CSC FETE NEWS for 2012!!

We are getting excited with just only 7 WEEKS to go. Thanks to everyone for their donations to bring weeks and trash & treasure so far. Many hands make light work so ways you can volunteer to help in the lead up or on the day are:

1. See your students class teacher on the Junior to put your name on your class roster.
2. Pop your name down on the volunteer sheet in the Junior Campus Office.
3. Email the committee at the address above and let them know what you can help with.

THINGS YOU CAN HELP US WITH
We will keep this in each edition so that you know the many ways you can help before and on the day.

- STALL CO-ORDINATORS – Please see inside for the list of stalls so far and the classes who have volunteered to staff these stalls. Your child’s teacher will be looking for volunteers for this role, so please put up your hand if you are able to help in this way.

- RECIPES – Due to popular demand we will be putting together another recipe book to sell on the day. If you are able to share any of your family favourites it would be very much appreciated. You can either leave a hard copy at either campus office that will be passed on to the committee or email to the address above.

- TRASH & TREASURE – See next page for details of this.

- TEDDY BEARS – See next page for details of this.

- CRAFT ITEMS – Small sauce bottles, small jars & medium jars, candles, soap, rock salts, sponges and face washers. Anything that may be very handy for our crafty gang.

- HELP SETTING UP – There is much to help with on the day but we also need some strong volunteers on the Saturday ie 20th October to help set-up. We will have marquees to erect, tables and chairs to be moved. Many hands on this day will be a great advantage. If you are able to offer a few hours on Saturday as well please email us or leave your name and number at either campus office and we will get back to you with a roster time. All help will be very greatly received.

STALL HOLDERS WANTED
If you are a party planner, crafter, gardener or a small business owner, and have items that you would like to sell at our Fete, please email us today for more information.

THANKS FROM THE FETE COMMITTEE

EMAIL ADDRESS FOR THE FETE COMMITTEE: capalabascfete2012@hotmail.com
TRASH & TREASURE

We are collecting Trash & Treasure every Friday from 8am to 2.30pm. All of your pre loved goodies will be gratefully received at the Junior Campus Hall (Undercover area end).

The Fete times on the day will be:
Start at 10.00am, Performances and enjoyment right

TEDDIES WANTED

If you have any preloved, no longer wanted teddies, seals, tigers, elephants or monster stuffed toys that are in good condition, we can help you. Please bring them along and pop them into your bring week container located in each classroom or the senior campus office. They will be adopted out at our fete to new homes to be cherished and loved by a new family.

MAJOR RAFFLE

We have had some fabulous prizes donated so far and will be preselling tickets to the Major Raffle to be drawn on Fete Day. We will be sending home books of five tickets for each student to sell. These will need to be returned before Fete Day to go into the draw. Details of cost and due dates will be sent home with the tickets. We thank you in advance for helping us by selling these tickets and returning them to either Campus Administration Office by the due date.

BRING WEEKS

THANK YOU SO MUCH FOR YOUR GENEROUS DONATIONS ALREADY. Listed below are the items for September. This is such a fantastic way you are able to assist with reducing the up front costs of holding this event and goes a long way to making the Fete a great success. WELL DONE!!!

3rd September
- Chockies (preferably flat bars for Lob-o-choc), Coke & Pepsi Variety Soft Drinks

10th September
- Poppers, Coke & Pepsi Variety Soft Drinks, Lucky Dip items, Small Bags of Chips, Lollies

17th September
- Chockies (preferably flat bars for Lob-o-choc), Coke & Pepsi Variety Soft Drinks
  (These are only suggested items for each week, any of the above items will be gratefully received anytime)
STALL LIST
These are the stalls so far and the classes who have volunteered for them. If you are able to volunteer to be Stall convener for your child’s class it would be greatly appreciated by all. It is not a huge job. The main responsibilities are forming a roster for parents to volunteer their time on the day, the sign off of cash pick-ups on the day and general overseeing. We have lists from the last fete of the stall requirements. These would be given to the convener mid-way through next term to discuss with your helpers to ensure all requirements will be met on the day.

As you can see there are great savings to be made by paying before the day. ALSO...
Every family who pre purchases their bands will go into a draw to win an IPOD Nano (8gb).
You will be given a voucher for the number of bands purchased. The voucher will need to be brought along on fete day for issuing of the bands. Do not panic if this goes missing as we will also have a list of who has pre- purchased at the rides on the day.

& MORE
We have just sent a mail out asking for donations and sponsorship to many local businesses in the Redlands. Below are the fabulous companies who have already generously donated to the Fete.

We will be acknowledging them in this newsletter over the next few months and would like you to keep them in mind if you require any of their services in the future.

ALL OF THE MONEY RAISED FROM THE FETE WILL BE GOING DIRECTLY TO HELPING FUND AIR-CONDITIONING FOR THE LIBRARIES/RESOURCE CENTRES ON BOTH THE JUNIOR AND THE SENIOR CAMPUS. THESE FACILITIES ARE USED BY ALL STUDENTS. THEREFORE RAISING FUNDS THROUGH AN EVENT SUCH AS A FETE, WHERE EVERYONE CAN BE INVOLVED AND HELP IN SO MANY DIFFERENT WAYS TO MAKE IT AS SUCCESSFUL AS POSSIBLE, MEANS YOU ARE HELPING EVERY STUDENT IN THIS COLLEGE.
