

High Capacity

A Tailored 2E Program

About us

Principal
Lachlan Thatcher

"Gifted Education"
it starts with Curiosity,
Conversation, and
Courage "

<https://www.aaegt.net.au/lachlan-thatcher>

We offer a flexible,
alternative program
for 2E students across
Brisbane, aiming to teach
the child in front of us.

See website

for details

Would HC suit my child?

- ✓ Are they or could they be Twice Exceptional; gifted and 'neuro sparkly'?
- ✓ Is there an adult at home to supervise your child on the online days?
- ✓ Do they have a learning profile not flourishing in a normal class?
- ✓ Do they experience anxiety or any other challenges that makes full time learning complex?

Program characteristics

Tailored Individual levels

- ✓ Students learn and are assessed at their level of achievement
- ✓ Freedom within boundaries and a strong use of Universal Design of Learning

Blended Learning in a Hybrid model

- ✓ Monday is for online lessons
- ✓ Wednesday is for personal passions, mentorships and experiences
- ✓ Tuesday, Thursday and Friday we are on Campus

How to apply

Steps

- 1 Complete the online inquiry on the CSC website, selecting High Capacity.
2. This will trigger a conversation with 1 of the teachers, likely Adrienne.
3. If still interested, you will do a trial day
4. You decide if it is for you

Formal enrolment

5. Once the above steps have been taken, an enrolment interview is held with one of the teachers and our High Capacity Head of Department explaining Capalaba State College way.
6. There is a period of easing in.
