What is the Scholars Program?

The Capalaba Scholars Program is a course for academically talented secondary students to reach their academic potential. The program allows bright and highly motivated students to be in a class where they can be challenged and encouraged by their peers to achieve their best.

Students will be extended, and they will be provided with opportunities to develop higher order thinking skills. This program will assist in preparing students for their senior years of schooling and continue to enhance their love of learning.

Who should apply?

Students who are receiving a B average or higher on their previous academic record are encouraged to apply. There should be no more than **one** C on the previous report. Effort and behaviour must be exemplary. Homework must also be completed to a satisfactory level. Continuation in the program is dependent on the student maintaining a B+ average (no more than one C and at least 2 As).

What do students study in the Scholars program?

- Curriculum is covered in greater depth
- Learning can be accelerated
- Greater emphasis on reading and higher order thinking skills
- Greater involvement in extra-curricular activities and community service projects
- Involvement in international competitions such as ICAS
