

How to Apply

Attend an information session or tour if available.

Submit an application form.

Attend a family interview with the Montessori team.

Receive enrolment confirmation if successful.

Important

Spaces are limited.

A commitment to Montessori Philosophy is essential.

For students applying for Cycle 2, Cycle 3 or Cycle 4, it is necessary that they have a Montessori background or similar to ensure success.

MONTESSORI PROGRAM

Independence
Freedom Within Limits
Gradual Release of
Responsibility

Who Are We

Our Montessori trained educators prepare carefully designed environments. They observe and guide individual learning journeys. Self-motivation, leadership and curiosity across all areas of learning are fostered.

Would Montessori Suit My Child?

Montessori may be the
right fit if your child:

Thrives with hands-on,
active learning.

Benefits from calm,
respectful environments

Is naturally curious and
independent

Would flourish in a
community that nurtures
individual strengths

**Discover a unique
pathway for your
child's education!**

Our Montessori program
nurtures independent,
curious and confident
learners within a supportive
state-school environment.

What is Montessori?

Montessori fosters the natural
development of the whole
child. Through hands on
learning and purposeful
exploration, children develop
socially, emotionally, personally
and intellectually.
